WHY DATACENTER FORUM

Meet over 500 decision-makers and professionals per event

Gain insights into the latest industry trends & innovations

Showcase your products and services to a targeted audience

Position your brand as a leader in the Nordic datacenter industry

MEANINGFUL CONNECTIONS

We focus on quality over quantity, fostering strong personal relationships

NORDIC EXPERTISE

Deep, specific knowledge about each Nordic market

BIGGEST SHOW IN TOWN

The largest gathering of data center professionals in the Nordics

REDUCING (Y)OUR CARBON FOOTPRINT

By going to where people live instead of the other way around, we've reduced the need for international travel.

AEC | OPERATIONS & MAINTENANCE | CABLING & CONNECTIVITY | POWER & COOLING | SERVERS, STORAGE & RACKS | DCIM | SECURITY |
